Memo to City Manager

Recology Letter to Public Works Director Requesting Two-Year Extension and Price Increase

Article 3 and 6 of the August 1, 2004 Contract

Initiated by: Public Works Department

Budget Impact: None

Sustainability Impact:

Recycling Center provides for recycling and composting of materials that would otherwise go to the landfill and provides an environmentally sustainable service for West Linn citizens.

Policy Questions for Council Consideration: None

Summary:

The current franchise agreement with Recology expires on July 31, 2010. Under the terms of the agreement, the City may, at its sole discretion, extend the agreement upon delivery of a written notice to the Company. Therefore, we request a two-year extension expiring July 31, 2012, with the option of a two-year rollover. At this time, the Company has requested an increase for commercial rates.

The extension will allow adequate time for the City Council to discuss options for proceeding with a process that leads to a new franchise agreement.

Recommended Action:

The City Council make a motion to authorize the extension of two years to the contract and associated rate increase with the expiration date of July 31, 2012.
